Alexandria, VA 22313-1450

Dear Sir:

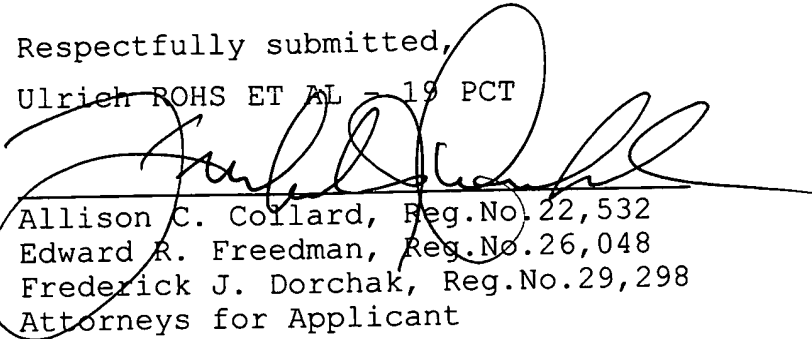

Supplemental to the Information Disclosure Statement filed on February 14, 2006, Applicants wish to bring to the attention of the Patent Examiner the reference listed on the enclosed Form PTO-1449 and attached thereto. This reference, the *Michael Kammler* article in German, which was cited in priority document DE 103 03 896.5, was previously cited in the February 14, 2006 Information Disclosure Statement and a translation of the relevant portions of this article in English is now being submitted as well.

Because this Supplemental Information Disclosure Statement (IDS) is being filed before the issuance of a first Office Action on the merits, it is believed that no fee is due. However, the Commissioner is hereby authorized to charge Deposit Account No. 03-2468 for any additional fees or credit any overpayment in connection with this IDS. It is respectfully requested that the foregoing IDS be incorporated into the official file of the

present patent application.

Respectfully submitted,
